BBP™85 Sign and Label Printer

The BBP™85 Sign and Label Printer allows you to create up to 254.00 mm labels & signs in multiple colours. Its improved interface makes it easy to use for anyone.

- Highly durable multi-colour thermal transfer printing
- Simple touch-screen interface for stand-alone use, or print from your PC with MarkWare™ Facility Identification Software
- Timesaving label design apps to create pipe markers, safety signs, right-to-know labels and more
- The ideal printer for multi-user Lean, 5S and Kaizen Labelling events

BBP™31 AND BBP™33 SIGN AND LABEL PRINTER

Designed for ease of use and versatility, this monochrome printer features an intuitive touch screen display, simple label design and a wide variety of materials and applications.

Coined as “2-step printing,” this printer enables anyone to create labels without prior training. Simply type the desired text and hit the print button. With true “walk-up-and-print” functionality, everything that needs to be labelled in a facility actually gets labelled.

- 300 dpi printing resolution
- Prints on labels and tapes from 12.70 wide to 101 mm wide
