

PRODUCT CODE: REBFB-01

PRODUCT DESCRIPTION: Standard footbed for additional comfort & support

MATERIALS

Moulded PU, taibrelle mesh upper.

FEATURES

- Anti-bacterial
- Closed cell construction
- Contoured heel cushion
- Shock absorbing
- Arch support
- Moisture wicking
- Fast drying

BENEFITS

- Reduction in fatigue
- Reduction of aches & pains

NOTES

If you remove your footbed from the shoe once a week, and allow the shoe to air properly, this helps to control fungal infection and associated complaints.
